EACS schools to be sporting new field surfaces

East Allen County Schools started the new year with a step toward equipping four high schools with synthetic turf football fields.

The seven-member board on Tuesday unanimously selected The Motz Group to provide artificial turfs at Heritage, Leo, New Haven and Woodlan.

Durability, safety and the number of activities that the synthetic fields will be able to support were factors in pursuing the project, board President Bob Nelson said.

The fields are expected to be ready for the fall football season, he said.
