Light Up New Haven Christmas Lights

Come and bring your friends and family to see
New Haven Light Up with Christmas Lights
on Friday, November 23.
(That's the day after Thanksgiving)

Starting at 5:00 P.M.
each family that
brings a non-
perishable donation
for the New Haven
Food Bank will
receive an entry
ticket. A few minutes
before the lights will
come on a ticket will
be drawn and that
family will be able to flip the switch for the
Christmas Lights at 5:30 P.M.

From 5 to 7 PM there will be carolers, Christmas
music and more. Impact Community Church
located at 909 Broadway will be open for Coffee,
Hot Chocolate, and Christmas themed family
activities.

The New Haven Community Foundation has
been able to purchase enough lights to cover
Broadway Street. It is hoped by next Christmas
they can cover the side street lamp posts as
well.

Santa Arrives in New Haven and Downtown Christmas Open House

Friday, December 7th
4:00 to 8:00 p.m.

Santa Arrives by Firetruck to downtown New
Haven at Canal Park at **5:30 p.m.**
Peter Franklin has their annual Christmas Open
House starting at **4:00 p.m.**
Carriage Rides will be available to take you to
the Historic Train Depot where you can visit with
Santa and tell him your Christmas wishes.

There will be lots more Christmas
entertainments and activities.

17th Annual Santa Train Fort Wayne Historical Railroad Association

The holiday tradition continues!
Tickets sales begin November 21st.
Member presales begin November 19th.
[Click here to be notified when sales begin.](#)

Explore Santa's railroad workshop, enjoy a cup of hot chocolate and climb aboard his red caboose during the 17th Annual Santa Train.

Tickets are \$7.00 each
and children ages 3-and-under are free!

Each trip is operated by a vintage diesel locomotive and lasts approximately 20 minutes. All food and drink sold separately. Trains run snow or shine.

NIPSCO Introduces Your Energy, Your Future Initiative

Blueprint for sustainable energy generation, reducing carbon emissions by 90 percent by 2028 and equating to \$4 billion in cost savings for customers

At NIPSCO, we're proud that our work has provided the energy that northern Indiana families and businesses rely on to power their daily lives for over 100 years. Now, as we look to the future, we see the opportunity to invest in balanced energy options and make your energy more affordable and cleaner.

Over the past year, NIPSCO has been performing a comprehensive analysis of our future energy mix and meeting with our customers, our employees and local community leaders. The result of this process is an Integrated Resource Plan and a request to modify its existing electric rates to support the associated changes in electric generation and service to customers. The plan is a balanced, gradual transition that will strengthen our region now and put us on a path to a more cost-effective, cleaner and sustainable future.

Introducing Your Energy, Your Future Initiative

We envision a brighter future for Northern Indiana in three key ways: by focusing on the long-term strength of our local economy; delivering the best cost, most balanced and reliable energy our customers need; and reducing emissions to improve our environment.

For more details on this initiative click [here](#).

Whitley counties. The Energy Assistance Program (EAP) helps pay a portion of a household's heating bills during the winter months. Last year, Brightpoint helped nearly 11,381 families with their utility bills. This year, help is available for renters whose utilities are included in their rent, as well as renters and homeowners paying for their utilities separately. Eligible households receive the EAP benefit one time per heating season. The program runs through May 17, 2019.

For households who have received a disconnect notice or whose utilities are already disconnected, an appointment can be made by calling Brightpoint's dedicated appointment line 24 hours a day at 1-800-589-2264 or United Way's 2-1-1. Those who are not currently up for disconnect should complete a paper application and submit it for processing. Applications can be obtained in person at any of Brightpoint's office in the EAP service area or online at

www.mybrightpoint.org/eap.
